..... FORCED TO VACATE from SEPT. 1st, 1906, to MARCH 1st, 1907

### Yes, We Must Move so the Prices Are Down on Almost all Stocks

There's a difference between a "manufactured" sale and a sale that is forced by legitimate circumstances. Not necessary to explain our legitimate reasons—people know we must vacate our store by Sept 1st. This necessitates the reductions of stocks at sacrifice prices. It's a case of sell the goods quickly.

We cannot list all the sale goods here, but we want to know if money-saving is anything to you, that there's big profit in coming here for all your summer needs.

We must sell out the goods and shall have the bargains. Don't miss these,

OPPOSITE THE POST OFFICE, LINDSAY,

The day for ricketty "scrap-heap" furniture in the dining room has passed, just as surely as the crude three-legged stool of the pioneers is no longer to be found in our kitchens.

WE ASK YOUR INSPECTION OF OUR STOCK OF Dining Room Cabinets, Extension Tables, Chairs of all Kinds, etc.

Every housekeeper has an instinctive love for Silverware, fine China and Glassware and spotless Napery, but the effect of these falls short unless the furniture in the dining room is in keeping with the table fittings. No good reason why it should not be, you than 18 you when you learn the low prices we have put on our beautiful goods.

IT'S MORE THAN A Midsummer Night's Dream

It's a midsummer day's dream to see yourself gowned in one of our gauzy, graceful and shimmering summer gowns.

We are showing the most beautiful materials for midsummer that were ever manufactured.

What so picturesque against a background of blue sky and green landscape as a prettily gowned woman? The simple charm of her clothes is their dainty texture, dressy effect, and inexpensive outlay. These Muslins, Lawns, Voiles, Crepes, Linens, etc., are all going fast, so you should select early for designs.

We are not making any special line a bargain, because all the goods we carry are really always bargains. This year there are so many pretty notions for Neckwear that the ladies are bewildered-then there are the numberless little Pins, Buttons, Combs, etc., so necessary for the summer outing.

Come in and let us assist you in your selection; we'll keep you posted on what must be worn.

Started in 1903, more ovens were necessary in nine months. In eighteen months, another wing was added to the original building, increasing the floor space by 18,000 square feet.

Building operations now under way will double the size of the Mooney Bakeries and Candy Manufactories, and give a total floor space of from 150,000 to 200,000 square feet. The illustration in the upper left corner shows the enlarged works when the addition is completed.

True to their policy, of adopting latest methods, the Mooney Biscuit and Candy Company, Limited, have had built and now operate, their own private freight cars. This company is the first in Canada to adopt this economical and rapid system of shipments.

The day of iron pipes and cast iron cylinders is past, as the public know from experience what you want when you buy a pump is galvanized iron pipe, brass cylinder and steel rods, which do not roe or taint the water.

We are making a large bore brass cylinder and steel rod pump which will outwear and throw more water than any pump on the

market.

Our practical man, Mr. J. Dennis, looks after all orders and repairs, and we can guarantee satisfaction.

When we complete our Stock Taking on August 1st, we expect to remove the Peterboro stock to Lindsay and Oshawa. There's nearly \$25,000.00 worth of seasonable merchandise to make room for. The only way we can do is to reduce our present large stock at Lindsay and Oshawa. That's why we cut prices so deep-we must have the space. REMEMBER: This is not a sale of a few lines at a low price but you have the choice of our entire stock and that at a reduction of FROM FIFTY DOWN TO FIFTEEN PER CENT.

You can't do better than buy present and future needs--for an opportunity like this may not present itself again for some time to come. ONLY TWO DAYS MORE--FRIDAY AND SATURDAY.

During the last "five years" the clothing business has advanced by rapid steps, until it has reached a high plane

The quality of the goods has steadily improved; much attention is given to correct style; and it is not too much to say tha the brands of clothing that we are agents for offers the wearer, in addition to economy of time and money, as good, or even better satisfaction, in quality, style and fit, than the custom tailor offers.

### "PLAIN FACTS."

Any man who knows the history of the Clothing business knows that not many years ago Ready-to-Wear Clothing was despised by the better class of wearers; and the clothes deserved it.

Ready-made Clothes in those days was made without much idea of style; sewed together not tailored; badly fitting; and the fabrics were cheap cottonades, satinets and the like,

During the last "five years" the clothing business has advanced by rapid steps, until it has reached a high plane

The quality of the goods has steadily improved; much attention is given to correct style; and it is not too much to say tha the brands of clothing that we are agents for offers the wearer, in addition to economy of time and money, as good, or even better satisfaction, in quality, style and fit, than the custom tailor offers.

if visitors happened to ask the hostess where some admired article of Furniture had been procured, the reply will be:

### AT M. E. TANGNEY'S IN LINDSAY.

Since commencing business in Lindsay we have made it a persistent rule to sell cheap for cash in order that the money invested might be turned over as often as possible. In time a large number of people have come to know this rule, and to see that it means a saving to them when in need of Furniture.

### There Are Bargains Available in Furniture

just as in other lines of business, and now and then we get a chance at them. About a month ago we were enabled to effect a substantial saving on a big purchase of DINING ROOM CHAIRS, SOFAS and DIVANS and some lines of Kitchen Chairs. You will be surprised at the saving possible.

# Final 30 Days' Sale of the

Quick, decisive and fearless Price Cutting to still further Reduce Quantities

Thirty more days of total disregard of profits-fast, furious selling—eager and zealous buying—happy and jubilant buyers—and smaller, clearer stocks will be the outcome.

We have planned a streams programme for clearing out the Graham Stock. Quanti-ties have been going down at an unmerciful rate, but still a greater thinning out must take place in a comparatively short time.

... WE MUST DO IT NOW ...

Our regular business requires all our attention, and the result will be the greatest bargains yet offered.

PRICES ARE AGAIN CUT

on all excessive lines, and a clean sweep made of all broken lots of garments and extra sizes, etc. Some of the bargains are limited in quantities, and they will be snapped up during first days of this Final Sale.
